# New England Adventure

JUNE 13 – 16

ASSIST  
**ADVENTURE**  
TEAMS

New England was founded by people pursuing religious freedom, and its universities such as Harvard and Yale were foundational for the training of pastors. However, that was long ago and New England has been a spiritual desert for decades since. Join us to help North Shore Bible Church stir up the soil in its community.

North Shore Bible Church, located in Essex, Massachusetts, exists to be a loving, biblical community that welcomes others to know God & follow Jesus together. In addition to Sunday celebrations, they get together regularly in small relational settings to share meals, share our lives, and encourage one another as they figure out what it means to know God & follow Jesus.

Join the Assist Adventure team to help revitalize this church in New England and serve with their special Father's Day outreach.
